# About

**Fancy something a little different for your wedding?**

With over 25 years experience in the kitchen, Chef Matei Baran has a passion for sourcing unique and high quality produce to create a gastronomical treat for the senses.

As seen on BBC1's Masterchef The Professionals, Matei has worked alongside some of the best chefs in the UK.

Let our professional chefs create the perfect wedding menu for you.

From an elegant four course luxury menu, to festival style street food. We can design a signature menu for your special day.

The critically acclaimed Master Chef indulges each guests with exclusive and bespoke menus whatever the surroundings.

Our wedding team are available for enquiries for self catered weddings. Book Matei for your special event.

*'Let us take the stress of catering with our all inclusive packages.'*

## Wedding Breakfast

Want sophisticated fine dining dishes packed with flavour and presented with flair?

Enjoy one of the most memorable meals you'll ever have and check out our sample menus on our website to see a selection of the dishes we can create. Or go off-menu and work with our Matei to create a bespoke menu.

It's all possible and is limited only by your imagination.

“*Myself and husband got married last month and we had Matei and his team cook for us for both the wedding breakfast and evening food. It was honestly the nicest food ever.*

*All our guests were talking about how amazing it was, and how generous the portion sizes were. Food was absolutely incredible. and Matei was very friendly and met up with us before the wedding to go over a few things. Very very happy with how it turned out and would highly recommend!*

## Street Food

Posh Street Food is a unique concept and a gastronomical treat for the senses.

Wow your guests with our #PoshStreetFood by Chef Matei Baran concept, a selection of menus using the best local producers for the ultimate informal dining experience.

Our street food weddings are a real talking point and set yours apart from others.

Visit [poshstreetfood.co.uk](http://poshstreetfood.co.uk)

*“We used posh street food for our wedding catering and EVERYONE loved it (even the fussy ones!).*

*Super easy people to work with, worked to our budget and gave us many giggles along the way!*

*If you're looking for event catering I honestly can't recommend them enough, made the whole process as stress free as possible.*

## Canapes

Typically served after the wedding ceremony and before the wedding breakfast, canapés are the perfect way to keep hunger pangs at bay.

keep your guests satisfied and impressed with our freshly prepared and exquisite canapes.

Team with a celebratory glass of bubbly.

*“We got the celebration menu for two with canapés delivered. Absolutely delicious, well worth the money.”*

*“Chef Matei made a beautiful feast. He was happy, helpful and responded to individual needs at short notice.*

*I am assured the food was delightful and you made it very special. Thank you.”*

*“What an incredible dinner, his mannerism and love of cooking shines through his presentation, flavours and fragrances.”*

## Menu tasting

Want something unique, crazy and of course a bit sophisticated?

Chef Matei Baran takes the most popular dishes and transforms them into an amazing four, five, six or even eight course tasting menu.

Wow your guests with this experience and we will make sure it's one you and your guests will never forget.

*"Wow we had such an amazing evening with Chef Matei. He accommodated all of our needs and dietary requirements without any trouble. Wonderful food, amazingly presented and great professionalism! Every single dish was truly delicious! We all thoroughly enjoyed the evening and it was worth every single penny! Would absolutely recommend Chef Matei to everybody, in fact we already have! Thank you Matei."*
